

### **OFF ROAD TASTER DRIVE (1 HOUR)**

Take the wheel and scale our challenging new track. One of our experts will help you get the best out of the latest Land Rover technology and you can even bring the family.

### **HERITAGE RIDE (1 HOUR)**

Land Rover has been delivering driving excitement since 1948 and this is your chance to experience some of our legendary models from across the years.

### **DESIGN AND ENGINEERING TOURS (3 HOURS)**

Enjoy privileged access to restricted areas to see the rigorous tests and design procedures that every Land Rover undergoes before it reaches the dealership.

## **» NEW FOR 2012**

### **TEST TRACK BEHIND THE SCENES DEMO (1 HOUR)**

Hold on to your nerves as one of our expert drivers takes you in the latest Range Rover across the most challenging roads on our Gaydon test track. Then brace yourself for 6km of speed, handling and braking action.

### **ULTIMATE TEST DRIVE (3 HOURS)**

Get behind the wheel and take one of the latest Supercharged Range Rover models over the same gruelling test track used for every Land Rover model. All with an Experience Instructor in the passenger seat to help you reach new heights of performance

### **HALF DAY ADVENTURE (3 HOURS)**

Put a state-of-the-art Land Rover through its paces under expert tuition. Even if you've never driven one before, you'll be surprised how much adrenalin rushing fun you can have in three hours.
