Site Regulations

A 15mph speed limit is in force at all times throughout the site. All cars must use the designated routes for access and exit. No cars may exit via the central spine road.

Clear access across the display arena must be maintained at all times for emergency purposes.

One cars length should be allowed at the perimeter of the arenas for pedestrian use.

The concours area is for classic/collectors cars only. Any modern cars, trailers and vans allowed onto the arena for unloading car club stand equipment, should be parked in the public car park after unloading.

At outdoor events, organised by clubs, a minimum of two parking marshals must be provided. These people will work in association with the Centre's own staff on parking and traffic movement.

Where more than one club is attending, please keep to the designated areas and leave clear access to adjoining areas.

No auto jumble or other wares, including club regalia, to be offered for sale without prior consent of the Heritage Motor Centre.

Trade/auto jumble stands should be sited at the rear of the arenas unless stated otherwise on the day of the event.

ANIMALS

*With the exception of Guide Dogs, we regret that no pets are allowed in the museum.
Pets are allowed in the grounds but must be kept on a lead at all times.*
